Dear Sir:-

We are duly in receipt this morning of your letter and telegram asking for lowest price on 10,000 lbs. best ingot copper for alloying, and have at once wired in reply quoting you 11.65¢ per pound, delivered at the Mint, Philadelphia, Free of cost for freight, cartage or packages. We note that on the last shipment the bridge was not as thin as desired, and will give this our careful attention on receipt of your order, in the present instance. We can ship promptly the day after receiving your order here, and you ought to receive the copper in Philadelphia on following day.

Yours truly,

Asst. Treas

P.S. Since writing we have your telegram requesting immediate shipment of the 10,000 lbs. ingot copper and have entered your order accordingly. We will make these ingots Monday, and you should get them Tuesday morning. All our furnaces are out for to-day so that it will be impossible to cast t before Monday.

Yours truly,

Asst Tr.
